HH=Head of Household Index
EN=Everyname Index

For other censuses and census substitutes choose from complete list of census databases in Ancestry LE.

¹ The US Federal Census Indexes are NOT linked to images but should be consulted for difficult searches.
 Select from complete list of census records on Ancestry, by state and years (e.g. 1790-1890)

² Selected States

³ 1880 Census Index & Transcription also available at www.familysearch.org

Note: HH Indexes may also include those in the household with different surnames than the Head.

Note: Wildcard Characters for AncestryLE & HeritageQuest: ? replaces one letter, * replaces multiple letters

These databases funded by H. Rogers, Genealogical Society of Bergen County, and Ridgewood Public Library.
